Muthukumar Srinivasan & Rajagopal Srinivasan-Week8-Homework3

Muthukumar Srinivasan & Rajagopal Srinivasan

May 20, 2017

This is an R Markdown document. Markdown is a simple formatting syntax for authoring HTML, PDF, and MS Word documents. For more details on using R Markdown see http://rmarkdown.rstudio.com.

When you click the **Knit** button a document will be generated that includes both content as well as the output of any embedded R code chunks within the document. You can embed an R code chunk like this:

```
###############(1) DATA EXPLORATION OF BOTH TRAINING AND EVALUATION DATA SET
###############EVALUATION DATA SET############
